

EUROMAR2025 POSTER PRESENTER GUIDELINES

Poster Display Times

Posters will be displayed at the Pohjankartano Building from Monday, 7 July at 13:45 to Wednesday, 9 July at 15:45.

Authors are kindly requested to **bring their posters themselves directly to the poster area** and mount them during the coffee and lunch breaks on Monday, 7 July, from 10:15 to 13:45.

Posters must be removed by Wednesday, 9 July at 18:15, which marks the beginning of the clean-up period. Any posters left after this time will be removed and disposed of by conference staff.

On-site Poster Boards

Poster boards are in vertical format, and authors can make use of the full dimensions of 970 mm width x 1180 mm height. Posters are attached using pins, which are provided at each poster board. In case of missing pins, please contact the staff at the facility desk in the respective poster area. Conference assistants are also available in the poster areas to help presenters with mounting or removing their posters.

Poster Area at the Pohjankartano Building

The Conftool ID of each poster abstract and the number of the corresponding poster board will be displayed in the exhibition area. The posters will be divided into three levels.

Giving your Presentation

The poster sessions will take place on Monday, 7 July; Tuesday, 8 July; and Wednesday, 9 July, from 13:45 to 15:45 each day. Presenters with even-numbered posters are expected to be present on Monday, those with odd-numbered posters on Tuesday, and all presenters on Wednesday.

Birds are a side theme of the EUROMAR2025 congress.

We encourage you to make a connection between research and your favourite bird in your poster presentation.

EUROMAR2025 POSTER PRESENTER GUIDELINES

All presenters must be registered as participants for the conference to access the venue. **Poster presenters' registration deadline is 15 June.** Unregistered individuals will not have access to any sessions or events at EUROMAR 2025.

By submitting an abstract for a poster, authors commit to presenting the work on-site. If you are unable to attend, please withdraw your abstract as soon as possible.

Tips for Poster Preparation

- Clearly display the title of your abstract at the top of the poster for easy identification.
- Include the names and affiliations of all authors so that interested attendees can contact you.
- Ensure that all charts and diagrams are legible from a distance of 1.5–2 meters. A minimum font size of 16 pt is recommended.
- Use different colours or line styles to distinguish data in graphs and charts.
- Organize your content to be clear, logical, and self-explanatory. Use numbering or lettering (e.g., 1, 2, 3 or A, B, C) to guide viewers through your display.
- Your poster should reflect the same content as your submitted abstract. Include sections for background, results, and conclusions.
- Ensure the correct author is marked as the presenting author in the abstract submission system.

Poster Printing and On-site Delivery Service

A poster printing and delivery service is available by advance online order. Order form is provided at: <https://taikalyhty.fi/en/product/poster-a0/>

Ordered posters can be collected in the congress venue, the Oulu Music Centre, during the info and registration desk opening hours.
